Mini Crawlers

Used Mini Crawler Utah - We have designed several programs for Mobile Crane Operation at our Crane Training Schools. These programs are recommended for the experienced operator who needs re-certification or certification, and for inexperienced operator who is looking for work in the industry. Positions for crane operators are high due to their high pay. Crane operators are amongst the highest paid of whatever heavy machinery operator. Our Crane Operator training offers instruction for a variety of mobile cranes. Course subject consists of Crane Set-up, Wire Rope, Lift Planning, Load Dynamics, Rigging, Signaling and Load Charts. The Crane Training School program is best for operators, riggers and supervisors. Course materials comprise a manual and informative hand-outs. The illustrated safety manual consists of one hundred to two hundred fifty pages, which depends on the course, of useful and essential material. Course materials include load charts and load chart exercises for the crane with which the person training is working. Hands-On Safety Training will take up more than half of the course curriculum. The practical training section is the most useful method to developing and improving personal skill levels. Only certified journeyman crane instructors are chosen to teach the courses. Our instructors have many years of business experience. For all the course we offer, we can include optional testing mechanisms to customize your training. A skills test is usually administered for programs that include H.O.S.T. Trainees will be graded and tested.
